“ Brandy worked with my daughter and there were geese outside . One day they had 5 beautiful little geese,Brandy was walking in and spotted them at the same time as me her face lit up and she said AW they had babies I knew then she was kind hearted we immediately made a connection when she changed jobs the geese left too. Heartbroken over her unexpected death. God bless her family during this time of grieving. May her soul have Safe passage with God's speed into the kingdom of heaven.

“ *Michael, I can't believe this has happened. We've made so many happy memories together and some bumps in the road too but we got through them. I am so proud of you for the way you are handling this unfathomable pain of losing the sister you adored, having to plan her funeral and comforting your kids at the same time during this period of intense sadness and grief and I love you very much. You know Haley and I are here for you. 💜*

“ *Michael and girls,*

Greg and I are so sad to hear of Brandy's passing. It seems like only yesterday that she was this sweet little girl that lived across the street and would always light up the room when she walked in. She had such a big kind heart. Praying for comfort for all of you during this difficult time.

*Love always,
Vicki & Greg Winn*
