

Brian Carr

November 4, 1959 - August 18, 2020

Brian Carr, 60, of Suwanee passed away on August 18, 2020 after a hard-fought battle with leukemia. He will be greatly missed by his wife Sheila and two daughters, Allison and Lauren.

Brian was born in Warwick, Rhode Island on November 4, 1959. He graduated from the University of Rhode Island with a BS in Computer Engineering in 1982, and went on to graduate from Georgia Institute of Technology with a MS in Electrical Engineering in 1984. He worked as a hardware development manager at Arris (now Commscope) for over 20 years.

In addition to his wife and daughters, Brian is survived by his mother Margaret and brother Paul Jr. He is preceded in death by his father Paul Sr and sister Martha.

Brian was a devoted husband and father who loved nothing better than spending time with his family. To family, friends, and coworkers, he was known for his calm presence, unwavering support, optimistic attitude, and great advice. Brian had a kind heart and gentle nature.

A memorial service for Brian will be deferred for a few months due to the COVID-19 pandemic.

In lieu of flowers, the family requests that donations be given to the cancer-fighting charity of your choice.

We also wish to extend our sincerest thanks to all those who supported us during Brian's last few months with kind words, offers to help, and donations of blood and/or platelets for Brian and other leukemia patients.

“ I am very sad to hear of Brian's passing. I worked him for a few years at ARRIS and found him to be a knowledgeable individual with no agendas or complications. My thoughts are with the family at this time - a passing of a family member is very tough and my prayers go to you.

“ We are so sad to hear about the passing of Brian. Our deepest condolences to your entire family during these difficult times. I was honored to have known Brian when I worked with him at the same company and later when we lived in the same subdivision with his family. He was always very friendly, kind and calm. I happened to sit next to him one night at Swim Atlanta watching the girls practice. I was deeply impressed by his devotion to his family and his support for their daughters' activities. I know he will be greatly missed. Huge hugs to you - Sheila, Allison and Lauren. We are thinking of you and sending you loving thoughts. If we can help in any way please let us know.

With love,
