“ Well, this was a man I looked up to very much during my younger years living on Buena Vista Avenue. His son Cary was my partner in crime. Big brother Kim, laid a number on Greg Mager one weekend. And how I loved that gold on black camaro and black on white camaro, Kim, Cary respectively.

In all seriousness, Byron was a gentleman, a great dad as I know the man, hard working and obviously loved his family. Cary, Kim, what a loss! But, I know you guys were brought up as BELIEVERS. That being said, you know you will see him again some day. He's with Jilane(hope I spelled that correctly, probably not) and Cheryl now.

The Bagley family was a BIG part of my life growing up. For that, I am VERY thankful.

Best to you all in this time of grieving.

Sincerely,

Greg Strickland

“ Byron Bagley and his family moved into a home on our street in our neighborhood in Doraville on the same day that my parents moved into their home on that same street. Our homes were across the street from each other. Our families became intertwined in school events, church events, and the bonds of friendship and fellowship. I have had the honor of knowing this precious man for 63 years. Byron is a man who loves his family deeply. He is a man of integrity. Most importantly, he is a man of faith. I do not use the past tense to describe Byron. Byron will always live on in our hearts and spirits and he will continue to live on in his Heavenly home. From time spent at the ball fields, hunting with his boys, vacationing and traveling the globe whether by car, air, or by sea, Byron has always been up for spending quality time with his family. Those memories of time well spent are so much the sweeter as we all go forward wishing that he was here with us so we could hear his warm laughter and delight in the twinkling of his eye. God said today, "Well done, my faithful servant."
