“ Living so far away makes you take for granted that your good friend for many years from Pfizer would always be there...I sent an email three days ago to Carol and she did not answer me, I knew something was wrong. We drove to Drs. appt. today and I ask my daughter to check up on Carol online just to be sure she was ok...I did not want to look...guess I knew she was gone or she would have answered me by the next day. I loved getting Carol's recipes and she always made me meat loaf when I came to Ga...She told me she would always make it for me as long as she was around. I am so sorry to hear she is gone...but believe me not forgotten..She always was doing something for someone and I am sure she still is, in heaven. With all my friends leaving, guess I won't be so sorry to go as I will see all of them again. I loved Carol, she was such a good friend to me, talked about out kids a lot and ate a lot of Meat Loaf...Love you carol and I know Bob is still hurting.
