“ The Online Trading Academy worldwide family grieves with you at your loss, but we all take comfort in knowing Carole is with the Lord. And we know that her legacy is in the lives of her children and grandchildren - exceptional people who, like Carole, love the Lord and were greatly impacted by Carole.

May God's peace rest upon her family at this time, and may Carole's life be celebrated.

“ We join the family and friends of Carole in mourning her passing, but we take comfort in the many positive influences she leaves behind as evidenced, in one example, by the life of her son, our son-in-law, Mickey. We are so grateful for the positive role model Carole exhibited to our shared granddaughters, Heather and Bethany, and we give thanks for her life among us. May she rest in eternal peace with God.

“ My condolences to the Moores family and friends. It is a painful thing to lose a precious love one in death, regardless of how long they have lived. Even Jesus wept when Lazarus died (John 11:35) and it pains our loving Heavenly Father, too. He did not purpose his human family to grow old and die but purpose us to live and enjoy life. It is still his purpose (Psalms 37:11, 29). He calls death an enemy that will be removed forever (1 Corinthians 15:26; Isaiah 25:8). He promised to awaken our love ones in the memorial tombs from asleep in death__ Isaiah 26:19 "Your dead will rise ...Awake and shout joyfully you residents in the dust! ...the earth will let those powerless in death come to life." He will then reverse the aging process__ Job 33:24,25 "Let his flesh become fresher than in youth; Let him return to the days of his youthful vigor." What a delight it will be to see them again to enjoy life as our Creator purposed (Psalms 145:16)! Allow these words to keep comforting all of you.
