“ Cindy was truly one of a kind. When I was just getting started in my career almost 20 years ago I had the honor of working with her. Broke, young and dumb she took me in as her third son. She always brought me breakfast and lunch and ALWAYS made sure I was taken care of. She called me her third son and I called her my second mom. She had the biggest heart and it reflected in how she treated others. Even though I moved on from that job she would always check in on me to see how I was doing. I was truly honored to have a second mom like her. Prayers to her sons and family during this difficult time. May God bestow His hands of comfort and love around you all.

“ Cindy was such a great lady. In the 5 years I worked with her at meggitt and the interactions on Facebook after I left the company I have never met such a kind soul. I never knew her to speak bad of anyone. She always talked about how much she loved her family. She will be greatly missed.

“ I had the pleasure of working with Cindy in the same department for the last 5 years. I'll remember her for her kindness and the never ending supply of chocolate and candy she had for everybody. She had such an amazing big heart that she would bring fruit to me every once in a while and kept my favorite chocolate separate. I'm sure she found a very comfy seat in heaven in which to watch over us. She definitely qualifies as a guardian angel.

Cindy always remembered my birthday, and whenever I visited Meggitt (I work remotely), she always had a jar full of sweets which she joyfully offered. I will miss her. She is with God now and may her rest be peaceful.
