“ I worked in payroll for many years at Foote & Davies. Don was always a smiling face on Monday morning with the time cards. He would stay and talk for a few minute, usually cutting up. When I left Foote, he was one of the people I missed. Don, was a good man, I am a better person to have known him. Rest in peace dear friend.

“ Dearest Sarah, I was so sorry to hear of Don's passing. O'Neil loved working with him, and I feel certain that the two of them are now talking about the good times that they had together. My prayers are with you and your family. I love you.

“ Don is one of those people I met in life who's character to me was larger than life. His friendship with my father goes back as long as I can remember and I always admired what they had. I loved his demeanor and the way he talked about boats and fishing and printing and life. It mattered not the story, he had this way of talking that made you want to listen. Kind and gentle, but someone I trusted to know stuff. He made me laugh often as a boy and later too when I would hear about adventures he and my dad would do with tractors, machines and such. I'll admit to being a little fearful of what they might get into next! He has made a lasting impression on my life, one I'm not sure he, or his family knew or realized how much. He and his family will always be a treasured part of my life and I will hold those memories forever. My condolences to the family. He was one of a kind and I'm honored to know him.

“ Sarah Ledford & Family: Deeply sorry to hear of the passing of your precious and dearly loved husband Don of 64 years. In the Lord's Prayer, we pray that God's Kingdom "Come." That government by God will make the whole earth a paradise, with no more sickness (Isaiah 33:24). By means of an earthly resurrection, we will be reunited with our loved ones, (Psalm 37:9-11 & John 5:28-29.) More comfort, please see j w dot org. With Deep Sympathy, J. Jones
