“ I remember my sweet friend Dorothy from our days in the Atlanta Post Office. Once I told her I hated turnip greens and she was shocked. She said she would make me some and bring them for lunch one day. She kept her promise and they were delicious! I have told that story to many friends and family over the years and it always makes me smile. Although I haven't seen Dorothy in many years, I have thought of her often...and I will always think of her when I eat turnip greens! My thoughts and prayers go out to her family. Heaven has definitely received a precious angel. Rest well my friend.

“ Dorothy was a classmate of mine and we both graduated in 1955. After high school, we both went our separate ways. I was impressed with her obituary and remember her as a good friend during our school days. May God rest her soul.

“ I am so sorry to hear about your loss. It has been over sixty years since I've seen Dorothy, and I was so pleased to learn about her many accomplishments. I remember visiting her at Mercer University in Macon where I planned to attend college. She was so kind in acquainting Melba Wages and me with the campus, etc.

“ Dear Roberts Family:

I know this is a difficult time for you, please accept my sincere condolences. "Blessed be the God and the Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort." (2 Corinthians 1:3)

"Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment." (John 5:28, 29)

I look forward to the day when all of us will see our dear loved ones again!

Again, my condolences,

Shelly R.
