“ It was my pleasure and privilege to have worked as a hygienist for Drs Jama and Tom from 1992-97. We shared many laughs and tears as a "working family" and I have many fond memories of Jama during those years as a young mother, excellent dentist and wonderful boss - but more as a caring friend. We all shared a wonderful cruise to the Bahamas and a Valentines week trip to France that I still talk about and her ability to lighten up the office just by walking in the door! She gave her all to her family and genuinely cared about her patients and friends, and made friends with everyone she met. I will never forget her special annual Christmas gift to us during those years - her fabulous home baked assorted Christmas Cookies!! Even my family looked forward to them with great anticipation!! And our birthdays never passed unnoticed as she baked us all the birthday cake of our choice! They were second to none and made us feel so special. Her baking was as artistic as her dental skill- and she loved sharing those talents. My family and I are so very sorry to hear of her passing and send our deepest sympathies and prayers to all. Eternal rest grant unto her O Lord and May a perpetual light shine upon her.

“ Dear Jerald, Scott & Kate,
Please forgive me for taking your private loss so personally. However, I am stunned to just now find out about the passing of your wife/mom/my friend & dentist for nearly 3 decades. I am thankful she & I just had a wonderful visit recently where she told a staff member we had basically grown up together through the many years in practice. My whole heart goes out to y'all because as it is, I already feel lost without Dr. Jama and I don't know where to turn right now. Scott & Kate, your mom & I talked about you two & my 5 kids at length as y'all were growing up & making your way in this world. In fact, my husband, Mark, built & installed the BUFORD DENTISTRY sign all those years ago. God Bless your family with a sense of peace knowing Dr. Jama is considered by me & many others as one of the sweetest, kindest, funniest professional women we've had the privilege of knowing. She will be missed & she is missed already. With love & respect we will pray to be reunited in The Kingdom.

“ I have been going to Dr. Jama (and before that Dr. Tom) for 25 years. She was an amazing woman who met the challenges that life gave her with courage and good humor. She was always kind and cheerful, and a very good dentist too. I will miss her very much.

Please accept my deepest condolences on your loss.

“ Dr.Evans had a great personality, quick with a smile and a laugh.We had a running joke because she was always laughing when I came in the office. I called her the dentist from Little Shop of Horrors, without the laughing gas. Which set us both off on a good laugh. You will be truly missed by all those that had the pleasure of knowing you. Good bye my friend. May you rest in peace.

“ This news was truly shocking. Dr. Jama is one of the nicest people I know and I've enjoyed having her as my dentist for the last 15 years. She will truly be missed. Her sense of humor was fantastic - she even laughed at my jokes. She was one of those people that could make you enjoy your trip to the dentist. Jerald, my whole family's heart goes out to you. We are stunned and saddened by her loss. I hope you find peace and comfort in the knowledge that she was a good person with a life well lived.
