“ While I first met Doug many years ago, I got to know him best while playing Trivia with him and our mutual friend Milt Brogdon. Shannon and Kerry were often with us, as well, to boost our cumulative IQ. I always looked forward to seeing Doug and enjoyed his company immensely. He had a great sense of humor, and was our go-to for many of the sports related questions. He will be missed, but he is good hands!

“ So sad to hear of Doug's passing. He was a great man and I loved working for him at Milgray. Always looked forward to the Friday's at Milgray due to the Happy Hour at the end of the day as there was always a lot of cutting up and laughter. Godspeed Doug! Thanks for giving a young 22 year old a chance in this industry.

“ Stacy, Shannon and other family members, I am so sad to hear of your dads passing. Teresa always enjoyed spending time at your house with your mom and dad and you two girls. I know he will be missed. Our prayers and thoughts are with each of you.

“ I can't begin to count the fond memories I have of Doug, and Doty too! Doug was one of my favorite people in the industry. He made working fun. The Halloween parties at the Milgray branch and at their house were unforgettable. Thank goodness HR didn't get involved. There was a time that we all felt like a big old family. Rest In Peace my friend. Godspeed.
