“ George's case broke my heart to the point that I made a note in my phone to remember him on the date of his death. What a lovely man he seems to have been. My heart goes out to all who TRULY loved him and all who miss him, today and always.

You are not forgotten George. Even by total strangers. You were too good for this sinful world.

“ My dear sister. We were so sorry to read about the death of your husband. We look forward to the time when all those in the memorial tombs will be brought back to life in a world where there will be no more death. At that time, we know that you and your family will be thrilled to be reunited with Bro. Young again. Hold onto your memories and let Jehovah's wonderful future promises bring you comfort in the days to come. Remember it's just around the corner.

“ Just learned this morning (Sunday) of the passing of your loved one. We're shocked and saddened and also disappointed that we missed the homegoing service. It is with deep heartfelt empathy that we write to share. George was an upbeat, glass half-full, happy, easy-going, laid-back, peace-filled hardworking family man who lovingly spoke of his wife and children. For his loved ones, we pray first for understanding and acceptance followed by comfort and peace. "Lean not unto thine own understanding..." In Jesus name. Amen! -DiTanya & Jose Gonzalez

“ George will never leave my heart. He was like my younger brother and knowing he isn't just a phone call or text away is something I miss and also regret I failed to do far more often. Tia, my thoughts and prayers, comfort and support is with you and the boys forever more. I love you all.

“ Hi, I am good friends with Miguel, so I wanted to say I am so terribly sorry for your loss. I do not know any of y'all personally, like I said I am friends with Miguel. Losing someone is NEVER easy, I can't imagine what you're going through. I am praying for you and your family. I hope your healing process goes as smooth as possible (not sure if that exists) And I'm sure he is in a good place, I see he is a believer of Christ- and that is so important!! Since we are family through Him, I love you! You're in my thoughts.

“ My dear sister Tia, my heart breaks for you and the boys. I can't believe my Porgy is gone. He is going to be missed by so many. He was a truly awesome one of a kind. Time does not heal all wounds but time does make it a little easier to deal with. I know as time goes on we have so many fun memories and crazy stories

“ Tia, Bud, Buster and BJ  
The death George has gripped our hearts.  
Words will never express how we feel.  
Death can lock us in fear, it can cripple our will to go on.  
So when you are troubled and weak.  
When each day seems harder than the past,  
When you have moments when nothing seems to help.  
Please know that we care and pray you find peace each and every day.  
May our Father continue to wrap you in his comfort!  
We love you!
