“ My family and I will always remember the smile Mr. White had, it could light up a room. He holds a very special place in our hearts and we are going to miss him. I can just imagine him up in heaven blowing his train whistle. Such a special man who became like part of our family. Prayers for the whole family. Heaven got a very special angel.

“ Mr. White will truly be missed by my husband and I. We always sat together at church and had lots of laughter together. I will never sing "Thank You Lord For Your Blessings On Me" again without thinking about him. He loved that song and would get so giddy whenever he would ask me to sing that song for him. He says that was his favorite. He always loved to bring chewing gum to church to pass out to everyone who wanted it. He was such a special man. He was full of life and laughter. Mr. White you will truly be missed. I'm so glad to know you are home with out Father now, at peace and at rest. Love ya.
