“ I was so sorry to learn of the death of your mother. She fought for life for a long time, but I know she loves where she is now. Wish I could be there with you Teresa, but you know I love you and wish the best for you. Please tell the rest of the family that I love them all.

“ "Grandma Hazel," as she was affectionately known by our family, had such a tremendous impact on our lives. Her love for The Lord, her wisdom, her humor and most of all her prayers have forever shaped our family's lives, as we had the privilege of being next door neighbors for many years. She deeply loved her children, grandchildren, and great-grandchildren! She often shared stories about them and would just beam with joy. We are praying for comfort for each of you and know we will all see her again. Much love, the Nemitz family.

“ I am so sorry for your terrible loss.I pray you find comfort in knowing that your tears are seen from God above and he makes a promise at Revelation 21:4 that soon death will be no more. He will call out to your precious one and she will wake up. The effects of death will be reversed and you will be able to hold her once more. That is a promise from God! (John 5:28,29; Job14:14,15; Job 33:25)

So sad to hear of Aunt Hazel's passing. So happy she is no longer suffering. I know she is rejoicing meeting her Savior and again reminiscing with Brent, her brothers and her sisters! Prayers for peace in the coming days. Love you.
