“ Always positive, outgoing, encouraging, kind, generous and someone I admired and respected. He was a great role model for my siblings and myself. My dad and I borrowed one of his prize bird dogs when I was kid and I shot my first quail. I will never forget that day and all of the other kind acts he showed to me and our family. What a great guy!

“ Papa,
It still doesn't seem real you are not here; but I'm thankful you are in your new home and surrounded by the best of company. There's really not enough words to capture how beautiful of a life you led. Thank you for endless memories (love of coffee, cherry tomatoes, swinging while enjoying nature, beach and ocean days) to name a few. You always did for others before yourself and taught me to always do the same. Thank you for being such a strong presence in my life. You are gonna be forever missed, but I will carry on with you always in my heart!
~ Love always, Brittany ~

“ As a distant cousin but close friend of Pat's, I have very fond childhood memories of Howard and Jo. I remember lots of trips to Vogel, riding in the back of Howard's pickup truck. Howard was a kind man who always seemed to have a smile on his face and never complained when Rick and I often ended up at their house after church at Sardis on Sundays. My prayers are with Jo, Pat, Steve, Renee, and Jody during this difficult time. Much love, Janet

“ Thank you Dad for providing an amazing example. You focused on helping others whenever possible along the way and strived to stay positive as God was always in control. You lived a blessed life. Continue the ride pain and worry free. Love you to the moon and back!!!
