“ I am so sorry for your loss. May you be comforted by God's promise of a resurrection at Isaiah 26:19 where it says the earth will let those powerless in death come to life. Please read this encouraging scripture. If you would like to know more information, you can also go to [jw.org](http://jw.org). Thank you.

“ "How can we endure when trials come, as Jesus said? Through his pain he saw the joy of better things ahead. Though the passing years may bring us sorrow, bring us pain; there beyond the tears, we see the life that we can gain, to be there, feel free there, determined we remain."

“ We grew up together in Atlanta, GA with my brother Claire, till she moved to PA. We all went to Spring Street together for a while, and my brother went to others schools in Atlanta. We all later, went to Grady High School, not all at the same time. But, then she went to school in Pennsylvania, where her Dad was from. We later got together and after she had married, and had her first two kids. Later she married again, and had another child. Today, I wished we had had more time together. We all spent much time in Florida when we were small and had great memories. I pray for her and her family. You will be missed.
