“ Junior was very special to everyone who ever met him. I was so proud to be able to say he was my nephew. Always had fond memories of him. One that has always stood out to me. We were at a family reunion when he was a young boy. He was going around and everyone was giving him money. It was so priceless. He always lit up a room. He will be greatly missed by many. RIP and walk with the angels. We love you always Gina & Bryan Shoemaker

“ He was the best little brother and uncle a sister could ever hope to have. I remember the day mom and dad brought him home, when I seen him all I thought he was so fragile and little but I loved him with all my heart and vowed I would always be there to protect him. We grew closer as we each got older even though life had separated us at times, we always was there for one another. Even though he was younger, he was always my hero for all that he had been through with all the surgeries and setbacks but had the strength to overcome anything that had happen in his life. I love you to the moon and beyond bubba until we see each other again watch over us and fly high.  
Always and Forever,  
Your Big Sister
