“ I'm truly saddened by your loss Lindsay and Tommy. I can't imagine the grief you are feeling. Your parents made an impact on my life in so many sweet ways. I still remember you both being so little when I would come over for piano lessons. I can still play the first song Dawn taught me by memory. I think of her each time I play. My heart aches for you both. Tommy, just remember: keep on; keeping on - it's what I learned most from your Mom. Life will throw you all kinds of things, but you pick yourself up and keep on; keeping on. Life is worth it. Your Mom was a fighter and because of her I am too.
My love to you both. ??
