“ I was very, very sad to hear about my cousin Kathy. I have wonderful memories from our childhood.....sleepovers, sharing all the holidays, going to the first Beatles concert in Pittsburgh (dad's drove us....but we were at the concert with just us girls), and many other happy events. Most of all, I remember that big smile. My heartfelt sympathy goes out to all of Kathy's family. I hope your your memories bring you comfort during this difficult time.

“

Kathy was a real treasure. She never met a stranger and always had a story to tell. She loved being a Bubbie and keeping the grandkids overnight. She was a great support system during the challenges that beset us recently. Kathy will be sorely missed. Thoughts and prayers to all of you for strength during your healing period.

“ I miss you. I miss our talks on the phone when we both had so much to say and before you know it an hour passed by. You listened and always had answers for me. You never complained about anything I did. You were my rock. Say hi to Jason for me. I love you sis!

“ I am so sorry for your loss. May God comfort your mourning hearts. I pray that you find comfort in Revelation 21:3-5. This scripture paints a picture of a world that is very different from what we see today. A world with no more sickness, pain or death...and it is not a dream, it is a promise from God. He promises to reverse the effects of death and resurrect your precious one. You will never have to say a painful goodbye ever again! (John 11:11-14, 41-44; John 5:28, 29) jw.org

“ I had the privilege of working with Kathy at 2 different jobs. We shared many lunches together where I got to know her well. What I will remember most about her is that she absolutely adored her family. I hope that you find comfort in knowing this- even in the short time I spent with her, she loved telling me all about you. You are all in my prayers.
