“ Keeling always had a great attitude and happy demeanor. The plants he gave me are still doing well. Prayers for the family during this time.

“ The care that you provided for my father was superb. My dad thought the world of you, as do I and Reese. There are not enough words to thank you for your care and empathy as he started to decline. As we mourn the loss of the strongest, most optimistic man I will probably ever know, I rest assure that we all did the most we could to keep him happy while he was here on earth. Thank you, Dr Grose!

“ He would always show us his beautiful Garden and flowers. We enjoyed many things from his beautiful Garden. I have a beautiful flower that he gave me. It is so beautiful on my porch steps. When I look at it I will always remember him. Gone but never forgotten. Rest in Peace dear Keeling
