“ Ken-Dawg,
We only worked together for a few long months in 2009 in Oregon on the mighty Columbia River drilling but I feel like we've been brothers for a lifetime. No matter the amount of time that one knows another, but really, as with someone like yourself, it was the quality of the moments.
Rest In Peace my friend, "I'll see you on the other side."

“ Kenny was one of the funniest people I've ever known. He was a wonderful son, brother, father, husband, cousin and friend. He will be dearly missed by the many people who knew and loved him. I'm so sorry for his loss.

“ My cousin Kenny Houk was like another brother to me. Although we didn't live close, he was always there for his family and friends. So many great memories from frequent cross-country family visits--he'd make us laugh often with his dry wit, entertained with his "Dear Abby" guitar rifs and his other real guitar-playing talents; his "Rifleman" impersonations, and the sarcastic eye-rolls on the tennis court if his sister happened to double fault, & him wearing his cool Billy Jack hat-- The Kyn-Man was who you wanted to be with when visiting Underground Atlanta back in the day! So thankful to have had Kenny in my life. It hurts to know he is no longer on this earth but he will stay very much in our hearts--our prayers for the family. With love--

“ Kenny and I have been close friend for over 46 years. Wow what a long time to know someone. I worked with Kenny many summers and had some great adventures. Kenny had my back so many times I have lost count. He was an honorable man and a gentle soul. I love you Kenny Ray.
