“ I always thought of Lanny as a great friend and one of the best guys I have ever known. We grew up in the same town, worked for the same company for years, and I even worked with him at Sams for a while. And since he married my cousin, I was happy to say he was a part of the family. I will miss him. Jody, our thoughts and prayers are with you, and please call on us if there is anything we can do.

“ Dearest Jody and Family, My husband and I was fortunate to have met you and Lanny at the Dillard House Restaurant on New Year's Day, 2015. We will always remember that day fondly. We both are very saddened to learn of Lanny's passing and we wish to extend our deepest condolences for your loss. May you find comfort and strength in the love of family and friends during this time of great sorrow. Please know that our thoughts and prayers are with you. “ My prayers are with you, Jody, and all the family. I only knew Lanny for a few short years but he was always the friendliest and kindest person I could ever hope to meet. You, Lanny and I became acquainted as charter members of the Early Morning Believers SS class. Both of you became immediate friends. My heart hurts for you and how I wish I could give you a hug but be assured, God has you wrapped in His arms during this time of grief. .

“ When you find yourself weeping for what you have lost, remember that you are weeping for someone who blessed you with joy and touched the lives of all he met. How lucky we are to have known such a wonderful person. I worked at the gas station with him for many years and I will always remember his smiling face.

“ Lindsey and I send our love and sympathy to Jody, Connie, Hanna and the family. Lanny has been our friend for many years and he held a special place in our hearts. His and Jody's marriage was filled with love, friendship and a lot of humor. As a bother and uncle he was always there for his family and was considered the family patriarch. We are praying that all the sweet memories of their lives with Lanny will help ease the pain of his loss. May God bless you all and give you strength and peace. Sincerely, Alice and Lindsey Clack
