

Logan James Wade

May 20, 1989 - September 4, 2021

Logan James Wade, age 32, of Monroe, GA passed away on Saturday, September 4, 2021. He was born in Lawrenceville, GA on May 20, 1989 to Judy and Gentry Wade. He grew in health and stature at his family home, in mercy and grace at Harmony Baptist Church...his time through Harmony Baptist Church and preschool at SHUMC, Harmony Elementary, Lanier Middle, original location, Mill Creek High School, being among the first full 4-years class of 2008. He professed his faith Christ as a young boy and baptized by Pastor Landy McDaniel at Rest Haven Baptist Church. On his first day of first grade, he was thrilled to take his first school bus ride in such a large vehicle! He took pride in serving as Bus Safety Monitor for Mrs. Louise Parker. He was honored to be friends with the custodian and snowball throws at Principal Dr. Stone. As a boy, he enjoyed Karate classes, Boy Scouts and fascinated with the United States Military vehicles and weaponry. Full throttle is a fitting description by his sister, Leslie, describes him. Several family vacations were planned to visit Military and Naval museums to explore the realities of a possible career by serving our great nation. I must mention his common interest in Monster truck rally with his dad. He thought flying jets onto air craft carriers would be fun. When he got old enough, we took him to to the Gainesville airport to experience his first flight in small planes at the Gainesville Airport. He got his first job at Kroger at the age of 15 and moved on to the tire center and oil changes at local Walmart to gain experience with many types of vehicles. Logan was in a Boy Scout Troup, Karate and the Gwinnett County Fire Explorers. He graduated from the Gwinnett County Fire Academy in 2009. Logan was a country boy at heart and enjoyed farming cattle along with trucks and tractors and working with light to heavy equipment. He also enjoyed video games and mechanical things as he grew to an adult. For two years following graduation he worked at a number of fire stations including Fire Station #28 with Gwinnett County Fire Department. Following GCFD he worked at North Georgia Medical Response in Gainesville. He began his career at American Medical Response in October of 2014. Logan was presently employed with American Medical Response Team in DeKalb County for the past seven years where he was assigned to the Emergency Medical Management. He was a member of Bethlehem Church, main campus in Winder, GA where he was a part of the Medical Team and Security.

He was preceded in death by his grandparents, L.C. and Doris Hamilton Wade, Papa Joe Neal took over after Grandfather Carroll James Hayes passing when Logan was only 6 months old, Uncle JW Montgomery with who he admired as a wounded Veteran of Vietnam. Grandparents-in-law, Kenneth and Rose Mary Douglass, Grandmother-in-law Wynelle Holland. Father-in-law Michael H. Holland, (Brothers-in-law Robert Nicholas Johnson and Ryan Micihael Holland as infants). Uncle-in-law Kenneth V. Douglass.

He is survived by his wife, Tiffany H. Wade and young daughters, Paige Michael and Payton Lynn. He is also survived by grandmother Johnnie Mae Hayes; his parents Gentry and Judy Wade; sister, Leslie and Chris Shapiro; Cindy Holland and sister-in-law, Christy Holland and Aunt Mary Beth. Aunts and Uncles; Gail Montgomery, Gloria and Kenneth Waycaster, Grant and Maxine Wade, Kathy Hayes, Wanda and Barry Morgan, Sue Smalley and Lisa Thompson. There are many great aunts and uncles, cousins, co-workers and friends from church and walks of life that were especially loved by Logan.

Logan, Tiffany and the girls are active at Bethlehem Church 211 campus. The family enjoyed spending time together, both locally in Atlanta as well as on vacationing around the Sougheast and Northeast. Logan loved working on cars, and lived to help others. He gave his heart in everything he did and never met a stranger and always offered love and kindness to all. Logan was deployed to NY for 30 days form March through most of April 2020. He agreed to go, without thinking twice to help others, knowing he was going to the country's hot spot for the Covid pandemic. Although our world is a little less bright without him, we know beyond a shadow of a doubt he is in Heaven with his creator. God is saying "Well done good and faithful servant". Logan we know we all have responsibilities here on earth but we can't wait to see you again. We love you and hope we do you proud.

“ I met Logan through my friend, and his mother, Judy. Years ago, Big and Rich had a concert at the Buford Town Park Lawn. Judy had mentioned that Logan and Tiffany were going to be there that night too. We didn't make plans to meet up with them. We were there with our son, who was around 4 at the time, and I was sure they wanted to have a date night, and not be around a young kid all night. I did, however, want to say 'hello' to them. We ended up seeing them, and Logan and Tiffany sat with us all night. We laughed, danced, sang along with the songs, and just had a great time. It actually made our night. The fact that this young couple would hang out with a couple with a young kid, really made our heart full. My son is now 11, and he actually remembers the concert. He has referenced back to it many times over the years, as well as seeing Logan, Tiffany, and baby Paige at the Gwinnett County Public Safety Festival. I'm not only thankful for the sweet memories I have of Logan, but thankful for the ones my son carries with him.

“ Judy, Gentry and family,

I have known Logan and Leslie all their life. My heart is totally broken. You raised such wonderful children. I lost my son at the same age as Logan and I know what your are going through. You never get over it, you just learn to take one day at a time. You will have some good days and some bad days but he will always be watching over you. Just trust in God to get you through this. My thoughts and prayers will always be with you!

I love you all!

“ I grew up with Logan from day one. Although he was a year younger than me, his mentality and humbleness never skipped a beat. I remember the good'ole days with Logan at our friend Cody's house. We did everything little boys do. We fished, we rode bicycles and we got Dirty! I not only got to know Logan through our adventures but I also got to know him as a brother in Christ. We went to the same church together for a while and got to share many memories of running back and forth from the trees at Harmony Baptist Church. Logan always had my back! And after finding out about his passing, I can tell that he had everyone's back. It seems that he didn't stray far from his humbleness/genuine character that the lord set out for him to follow. What a great guy you are Logan! RIP 'ole buddy. Love Wes.

“ The story of Logan's life reached and touched us, who never knew him, halfway across the country in Brooklyn, NY. What an extraordinary man he must have been, to have stopped for a stranger on the way to help others he did not know. Such a bright spark and that kind of tremendous humanity means an even more awful loss to the family and friends who loved him. Our family sends yours our thoughts honoring Logan's life and wishes that memories of this wonderful man continue to light your lives forever. But in these dark days, also sending prayers that your circle holds you close and gives you comfort however they can. The Loredo family.

“ One day my toddler at the time ate a new bottle of gummy melatonin. I called poison control and found out you can not over does on Melatonin. However that much pectin can cause an adverse reaction. I called Tiffany and she told me to come on over because Logan wasn't home that day. Paige and Lily Anne played and Mattie Lou never fell asleep. Logan and Tiffany opened their home to me when I felt over whelmed. I still laugh about that day thinking how we waited to find Lou passed out somewhere. Sweet friends with sweet memories.

“ We watched Logan grow from his parents' sweet baby to a responsible husband and father. The love and commitment Logan showed to his family is a testament to all those that love him and poured into him along the way. Logan, always good for a story or a laugh and really great hugs, will be missed beyond measure. Our hearts are broken by the loss. Logan, always giving of himself, gave to the very end. Rest now and we will wrap Tiffany and your beautiful girls in love and support.
