“ Dearest Poppa,
You've been "my daddy" for 41 years and I miss you already. I'll miss Wayne's phone ringing...then stop.....then your picture pops up on my ringing phone! Then you'd say, "You right on top of it ain't you"? I will miss talking to you & seeing you.
You have always been a loving, kind, generous, giving husband, father & man. It was always a blessing to hear you talk so lovingly about your brothers. It's wonderful that all of the families are close and there when needed. I am proud to be married to your son Jack Wayne Hanson for all these years.
I'm excited that you get to be with "my momma Lucy". I sure have missed her for the last 9 years. Tell her I Love her. And when I get there, I can get back to lovingly aggravating you! You know you miss me!!

I'll meet y'all on the other side... Hallelujah!

Your Loving "Daughter"-in-law
Darlene

“ Hey Dad,

I can hardly believe you are gone but you will certainly never be forgotten. I have so many fun memories being part of the Hanson family. I always enjoyed our dinners together, especially when you asked me 'if it was going to cut me short for the week'. Ha Ha.

Your fine qualities as a husband, father & friend have been passed down to your 3 sons. Sons you can be proud of. I know how proud I am to be married to one of them.

I will always miss you...will never forget your...and never stop loving you.

Say hi to Mom and tell her I miss and love her too. Heaven is an even finer place, knowing both of you are there and together now.

Love always,

Your daughter-in-law-Debbie

“ I will always be grateful to my Father for instilling in me a sense of responsibility and a good work ethic. I will always remember him for his fairness, caring and generous spirit. He loved visiting family and biscuit day (as he called it) with his sons and his brother Jim and or his Brother in law Dewey. I'm sorry we didn't get to make that last trip to Maggie Valley on our motorcycle but I will always think of you when I fire up the "ole BMW and take it for a ride. You have my eternal love.

Your loving son
Jack Wayne

“ Will always be thankful to my Father for instilling in me a sense of responsibility and a good work ethic. I will never forget his honesty, fairness and generosity. I am thankful to have been able to spend a lot of time with him over the past two years after being laid of my job. It was a blessing in disguise. Gods timing is perfect. All things work together for the good of those who believe. You have my eternal love.
