

Dr. Marsha Joan Cheshire M.D.

February 28, 1950 - April 9, 2022

Marsha Joan Cheshire MD, age 72, of Gwinnett passed away April 9th 2022. She is survived by Emily Cheshire as well as Grandchildren: Cortez, Calia and Cecilia plus very loved bonus grandchildren.

Marsha grew up in Atlanta GA. She lived in Augusta, Forsyth and Gwinnett where she enjoyed being a Pediatrician to many who loved her.

Marsha may have had some struggles with her health in the later years, but lived life to the fullest and made sure Joy surrounded her. She loved thoroughly and selflessly. She would do anything for those around her and loved knowing that everyone was okay and happy. Our family is grateful to know that Marsha is finally at peace.

A Celebration of Life will be held at Flanigan Funeral home in Buford GA on April 27th between 6-8 PM. All are welcome.

“ I had the privilege of working with Dr. Cheshire on many occasions and will miss our chats that we still had from time to time. She always had a funny story for me and she loved to give me updates on her beloved family. My heartfelt condolences to her daughter and grandchildren.

“ Dr. Cheshire was the best lady and pediatrician! She met us at the pharmacy one weekend for medicine for our son and even made a house call for our daughter! Truly an angel on earth! Prayers for all her family!
