“ Was saddened to hear the news on Mary. She was a wonderful neighbor and very thoughtful. Over the years there were Christmas goodies and for my daughter and then my grandson special Halloween bags they gave out for the children in the neighborhood.

My mother also has ALZ, so I understand what her and the entire family has been through. May God give you strength and comfort in the days ahead.

“ Jennifer,

I'm so sorry to hear about the loss of your Mom. You've had a rough few months. Just know God has prepared you for this and once the storm clouds have passed, there will be sunlight. Your Mom and your grandmother are both at peace now and what more can we ask for when it comes to our loved ones. You are in my thoughts and prayers. Please let me know if I can help in any way. I know how it feels to lose a mom. I know there was some stress involved but it's still difficult to lose a parent, even as an adult. If you need a listening ear, I'm here. Love you.

“ So sorry to hear of Mary's passing. Went to First Lutheran Church with her and sang in the choir for many years under her Dad's direction. I always liked being around Mary and joking with her. The family is in my prayers for peace and comfort.
