

Michael "Mike" Hall

March 12, 1956 - December 25, 2020

Michael "Mike" Hall, age 64, of Lawrenceville, GA passed away on Friday evening, December 25, 2020. He is survived by his wife Dody; son Adam; daughter and son-in-law Danielle and Josh Lane; brother and sister-in-law Dan and Donna Hall; sister Martha Norman; and sister and brother-in-law Virginia and Wayne McRee. Throughout his life Mike ministered to thousands of children and teenagers through his church. In both his professional and personal lives he always strived to put others before himself, never hesitating to lend a helping hand. Due to current circumstances, no service is planned at this time.

His wife Dody would like to share the following poem she wrote about him:

Thankful for You

I am thankful for you my love,
I love your gentleness with children,
and your ability to become like one
of them. It reminds me of our Jesus
who took upon himself the form of
a servant and was made in the
"likeness of men." He became like us
so that He might gently bring us to
Himself.

I love your patience in enduring trials
of criticism and belittlement from those
who live as enemies of our Lord. Our
Lord Himself endured much cruel
mocking and scorning. His Word leaves us
an example of your behavior:
"So opened he not his mouth."

I love your God given ability to use tools and your ability to repair where it is needed. Our Jesus built and repaired while in human form, and continues to build and repair us from day to day.

I love to watch you stick to a task and to not quit until the job is finished. Our Lord “set his face like a flint” and went all the way for us from the cradle to the cross and finished the job with His glorious resurrection.

“ My condolences go out to the Hall family during this difficult time. I worked with Mike for a short time and was completely surprised when I received the news of his passing. Mike was truly a genuine person and he will truly be missed and I will miss all the great stories he would tell me.

“ Hearing of Mike's passing was hard. I immediately thought of his daughter. Mike would come in my office and talk so lovingly of his daughter and would often get on me about not eating lunch. I smile right now as I think about Mike talking about his cat. Mike was a good Father, a good Man, and a caring co-worker. To his family - I send my deepest heart felt feelings. Although I haven't worked with Mike in almost a year he most certainly is and will be kindly remembered. Montayna
