“ Family of Michael Reed, my sympathy and prayers are with you all. My only memories of Michael are the students of 1987 mentioning him during high school years.. They thought a lot of him. I think he was a friend to all. I know his classmates are all sending their sympathy. Wendy my heart is breaking for your family. I only have one brother, i cant imagine.

“ Holly, Chase and family,

Michael was a kind and gracious man who loved his family most of all, and I'm a better person because of him. Michael never gave up, he always smiled through the his struggles and not once did I hear Holly or Michael complain about their trials and tribulations they were faced with. Michael's life should be celebrated. As Christians we know that we will be together one day. A Christian's soul is healed and goes to heaven. So let's celebrate his new life in heaven. It was one hell of a ride, and now he's with Jesus. Oh what a happy day it will be when we meet again. RIP Michael
