A Service to Celebrate Her Life

“ remember meeting Monie one time, all decked out in her leather jacket and sunglasses. Thank you so much Ferrol for allowing us to be a part of this beautiful memorial for her. I know she will be missed by all who knew her. Praying for comfort for your hearts. Judy

“ Beautiful service today. Monie was definitely a Light in this world that shined. God gave her incredible talent, giftings and genius and she used it all for His Glory! I'll always treasure the artwork that she created for me. She will be missed!

“ I am still walking in shock that you are no longer with us. I will never forget our time together on mission trips to the Navajo nation. You and your mom help shape me in so many ways. Will never forget you. I know that you are cheering us on from heaven and that we will meet again. But will still miss you terribly.

“ My dear friend, so many times I have thought of you and told myself that there will be a day when we can laugh together again and goof off. I wish we had more time to make that happen. Since the day you left your physical body, I felt something change in the world. Although it's been years since we've talked, the world feels different without you in it. I love you and miss you with all my heart

“ Thank you Pearl for connecting me with your beautiful sister Monie. Turns out we had wonderful times together in Colorado..
Monies, I love the way that you cared for elderly people in nursing homes and lead many of them to Jesus. Thank you for being a faithful servant and one of my best friends.

“ I became Monie’s friend and intercessor during her time of crisis. I was touched by her tenacity and her unending faith in God. She told me one day they said she was only 1% better. She laughed and said, I’ll take it! She had the attitude that God would love us all to have. She was an amazing woman and I would have loved the opportunity to get to know her better.

“ Moni,
There are no words that come to mind that can fully express my shock and disbelief that you are no longer with us.
It feels like I just talked to you on Facetime but that was in July when the family was visiting.
I will never forget how I met you through my sister and in a time of great need. You brought Jesus to my daughter and I thanked you then so profusely. You just kept saying it wasn't me Alma, but just the same I felt so empowered by your faith and commitment to the Lord. I said to you I would never forget your kindness and generosity.
You were a true friend to my sister and again I appreciate all you did for her.
I pray Moni, that you are now dancing with the stars in the arms of our loving Jesus. May your soul be overjoyed and rewarded by all whose lives you impacted throughout your lifetime.
I pray for your family and friends, that they find peace in Jesus' name through this difficult time. God bless you and until we meet again.

Monie ! I never knew it will be the last time physically seeing you at Delmar nursing home, it was prayer time, and I was in a serious spiritual mood, but you were joking smiling and laughing with the other volunteers. Even though I have spoken to you several times after that. Right now, in my mind, all I can see is you smiling joking and laughing. Most certainly you are truly happy in eternity, we will miss you ministering at Delmar Garden nursing home.
