“ I was very sorry to hear of Aunt Ona's passing. She will be greatly missed. I think I will forever hear her voice saying "Now honey, don't be ugly", when the kids were misbehaving. She was such a sweet lady.

“ Nana was an awesome grandma. I remember her always making really good green beans when my cousins and I would go over to her and my grandpa's house. My favorite memories were when her and PawPaw would take me to Steak N Shake on the weekends; she would always get unsweetened tea and add her own sugar. I also remember the times we would take family trips to the beach and play Crazy 8s, and somehow she always had the 8s and would beat us every time. She was always feisty and full of life, even when her Alzheimer's started to get worse. I'm going to miss her a lot, but I'm glad she's in a better place with PawPaw and without Alzheimer's.

“ I met Miss Ona in 1998 when I moved to the Atlanta area from up north. She was a sweetheart and a true southern belle! She and Frank were very involved with sorority and I was blessed to have her as a sorority sister and friend. Barb Baumgarth
