

Pamela Marie Phillips

January 27, 1951 - March 16, 2021

Pamela Marie Phillips, age 70, passed away on Tuesday, March 16, 2021, at Northeast Georgia Medical Center Braselton, after a short illness.

She was born on January 27, 1951, in Cohoes, New York, the youngest daughter of the late Louis and Irene Messier Modesti, and grew up in Troy, New York. She raised her family in Clifton Park, New York, before eventually moving south, first to Greensboro, North Carolina in 1998 and then to Buford, Georgia in 2012.

She is survived by her loving husband of 46 years, Joe; her two sons, Joe (Torey) of Ashburn, Virginia, and Matt (Lindsey) of Atlanta, Georgia; and her five grandchildren – Samantha (14), Natalie (11), Nate (9), Ben (7) and Owen (5).

Pam was an extraordinary person who was incredibly passionate about the things she cared about – her sons, their wives and her grandchildren (no one has had a conversation with her over the past 10+ years where she didn't bring up Sammy, Natalie, Nate, Ben or Owen); interior decorating (there are few around who can put together such a beautiful home); travelling around the United States; and most of all, her adoring husband, Joe. In lieu of flowers, the family requests that donations be made to the Atlanta Community Foodbank at acfb.org. Services will be private.

“ Pam was a wonderful lady who was a loving wife, doting Mother to her two boys and a wonderful Grandmother to her five Grandchildren. She will be missed by all who had the extreme pleasure of knowing her. And for all of those who did know her, the memories of her will live on forever. RIP, Pam💜

So many happy memories when Pam and Aunt Irene used to come to visit often...they were crazy... I used to color their hair...one time, in order to save time, they applied the lightener at home and both arrived with white plastic bags on their head..so funny. Aunt Irene used to take us to drive in theater...sometimes we would follow Frieheffer's horse drawn wagon home...we would sing all the way home. Once, when Aunt Irene went out of state for a wedding, I took Pam driving...she got her license first time. She was such a joy to be around and such fun. The pic is of Aunt Pam and Uncle Louey holding my two girls, Sue and Kim who both remember her well. Grateful to have her in my life.

“ I met Pam many years ago while working at the New York State Police in Albany. We ultimately became close friends. Young carefree girls working together. Pam was a bridesmaid in my wedding and she returned the favor as I was in her and Joe's wedding.

I will always remember that sweet innocent silly girl and the fun we had. Even though we haven't seen each other in years, she will always be on my memories.

Sending much love to Joe and the family.
