

Peter William "Pete" Courville

January 2, 2018

Peter William "Pete" Courville, age 51, of Alpharetta, GA passed away on Tuesday, January 2, 2018. He was preceded in death by his father, Artelus Courville. Mr. Courville is survived by his daughter and son-in-law, Brittany and Casey Landry, New Iberia, LA; grandchildren, Hunter Landry, Ava Landry, Theodore Landry, and Kinsley Landry; mother, Clara Benoit Courville, Alpharetta, GA; and several cousins. Mr. Courville was born March 27, 1966 in New Iberia, Louisiana. He was a 1984 graduate of Catholic High School and attended the University of Southern Louisiana. Mr. Courville was the Manager for Fiserv Financial Services in Alpharetta, GA. Pete was a devoted father, grandfather, son and friend. An avid reader from comic books to the classics, he enjoyed finding new authors and sharing things he read. His love of music was as broad based as his love of literature. He attended concerts whenever he could and never missed a Rush concert within his reach. From a very young age he participated in sports such as basketball, football, tennis, disc golf and fishing. He was creative and loved to use his hands whether it was making pens, cooking or repairing things. He had a passion for movies and could almost recite every line of every movie he had seen. Pete never met a stranger. He enjoyed people and everyone who met Pete loved him. He believed taking time to find out how a person's day was going was an important part of life. Seldom seen without a smile, Pete was upbeat and playful. He was very generous and caring, willing to do anything for anybody. He loved to travel and explore new places and try new cuisines. He was a big teddy bear and anyone that was fortunate to get one will tell you he gave the best hugs. The world lost a good man who was loved dearly by many. Funeral services will be held on Tuesday, January 9, 2018 at 11:00 a.m. in the Chapel of Flanigan Funeral Home with Rev, Michael Edmundson officiating. Entombment will follow at East Shadowlawn Memorial Gardens, 87 Scenic Hwy, Lawrenceville, GA 30046. The family will receive friends on Tuesday, January 9, 2018 from 10:00 a.m. until time of service at 11:00 a.m. at the funeral home.

“ My condolences to the Courville family.
I meet Pete when I started working at Fiserv in 2011. I remember all funny names he used for our virtual meetings (eg Darth Vader). He was a really good human being and he always helped no matter what. I remember he used to love joking and telling funny histories. I loved the way he pronounced "maaaaaan".
I don't worked with him anymore but when someone tell me he wasn't anymore with us, it hurt my heart.
I know heaven has a party now. See you soon my friend.

“ My deepest sympathy to Miss Clara and Brittany (and her family), and to all Pete's friends and family! I am so saddened by this news, but feel so fortunate to have been able to call Pete my friend for ... an awful long time. Oh the times we shared at Mr Art & Miss Clara's, at my camp, at USL, at KDEA, and oh so many times and places. Talking football, music and so much more. One of the kindest souls I've ever known. He will be dearly missed and fondly remembered!!

“ It was a sad day when I found out of Pete's passing. Pete came to Dallas to prepare me to go to Atlanta. I enjoyed Pete's laughs, work ethics, friendship and knowing a great guy. Pete was never to busy to help you out or say hello. He always had time to listen. Pete will be deeply missed by many.

“ Pete was always a joy to be around and talk to. When I started working at Fiserv 3 ½ years ago Pete was my contact for the very first project I was assigned. I will never forget his warm welcome and how he made me feel like I had been part of the team for years and not a newbie. Pete was dedicated not just to his job, but to his friends and teammates. He was not just my colleague but a friend. I along with many others will miss him greatly. With deepest sympathies, my thoughts and prayers are with his family.

“ I am so deeply saddened to hear of Pete's passing. Pete and I met at a Concur Fusion Conference in January, 2017, that was located in Chicago, Illinois. Pete was ever so helpful to me as a business partner, and provided helpful tools for me to manage our travel and expense program. I was so deeply shocked to hear the news today, and was planning to reach out to him for our next Concur Fusion meeting that will take place this March, 2018 in Seattle, WA. I will truly miss him, his encouraging words, presentations, and positive energy. My thoughts and prayers go out to Pete's entire family, as well as friends. God Bless!!

“ I'm in SHOCK! The world lost a great light of inspiration. Pete's passion for life was so very contagious, his friendship truest of all, his amazing can-do attitude to overcome any life challenge and his desire to help and mentor are a lesson for us all. Pete was a fast friend to those around him and I will miss him. My thoughts and prayers are with Pete's family

“ To Pete, his friends (of which he has many) and his family that he spoke of so highly I am at a loss for words to lose someone that is such a genuinely wonderful person. I was really looking forward to chatting with Pete about the new Star Wars movie and unraveling how the next few would unfold. There are so many great things about Pete that I will not try to list any of them, but I will miss the little things, like his smile, his love of life and chatting with him. I am so saddened. Peace be with you buddy.

“ I still can't believe Pete is physically gone from us. When I first started working at Fiserv, he was the first person I met. Like many others on this guestbook, we became fast friends. He was always willing to help out and get things done. Pete was dedicated not just to his job, but to his friends and teammates. I am so happy and blessed to have known him and counted him as a friend. What a wonderful example Pete is of how to treat people and love them. I will be lost without him for a little while but his legacy of befriending will help me get through...and be a better friend myself. Thanks for the years of love and laughter my friend - leave a light on for me!!!

“ I have known Pete for 15 years, ever since I started work at Checkfree. He was funny, sincere and compassionate. Our conversations lasted much longer than the business we were discussing and he always left me with a smile on my face or a laugh. I know he was loved and well respected by many people. I know how heartbroken we are to have lost him, I can only imagine how hard it must be for his family. He was one of the truly great ones and he will be sorely missed. My most sincere condolences to his family.

“ I met Pete through work many years ago and he became friends with not only me but my family! We talked family, work, football, life. He was a wonderful and caring man who will be missed but not forgotten. A few years ago, I'll never forget how he came to our home an entire weekend and helped us pack! What a sweet and generous man!

My heart goes out to Clara, Brittany, and his grandchildren he loved them so much! It saddens me because the world lost a wonderful man but heaven has gained one!

I will be routing for your Saints this year to win the Super Bowl!

“ My mom, Mrs Nell Broussard Turner, my sister Vickie and I offer our deepest sympathy and condolences to Peter's daughter, grandchildren and his mother, Clara. Peter lived on Maumus Street as a young child and played with my sister and his mom was a lifelong friend of my mom. Our families have known each other for many years. It is with deep regret and sorrow that it's been decades since seeing Pete. Our wish for him is eternal peace. Prayers are being said for his soul and family in their time of sorrow

“ I worked with Pete for the 6 years I was employed by Fiserv and he was a valued colleague and more importantly a friend. He was always willing to help and was quick to recognize your concerns and to make you feel like your issue was the only thing he had to deal with. Some native Americans believe that you are still alive as long as anyone who remembers you is still alive. If this be true, Pete will live on in our hearts and thoughts for a very long time. I was shocked to hear he was no longer with us and he will live on in my heart for a very long time. He was a great friend who was well-loved.

As a reader, he introduced me to the Jack Reacher novels, of which he seemed always to be enjoying the latest episode or an old favorite. He will be missed, but remembered by those of us who had the luck to have known him.
God bless his daughter and grand children. I know you will miss him greatly. But know he will remain with you in your heart.

“ Pete and I became friends in 3rd grade when I had the fortune of being assigned the desk in front of him because of our last names. We lost touch for two decades but when we reconnected, it was like no time had ever elapsed. The last four years have been great texting each other a dozen times a day. His departure has already left a void in my life. I will miss him terribly. Love You Brotha! Kev

I loved our conversations about the rock group Rush, 80's classic rock, Star Wars and other useless information that swirled about in our heads. He always had a smile and upbeat demeanor. He was a gentle giant that will be missed so much. I pray for his family at this difficult time and my God help heal their sorrow. I will miss you sweetie Petey.. until we meet again!

“ Pete and I became friends in 3rd grade when I had the fortune of being assigned the desk in front of him because of our last names. We lost touch for two decades but when we reconnected, it was like no time had ever elapsed. The last four years have been great texting each other a dozen times a day. His departure has already left a void in my life. I will miss him terribly. Love You Brotha! Kev

“ I'm so saddened to hear of Pete's passing. I had the pleasure of working with him for 7 yrs. He was one of the nicest and funniest guys I knew. I called him "sweety Petey". I loved our conversations about the rock group Rush, 80's classic rock, Star Wars and other useless information that swirled about in our heads. He always had a smile and upbeat demeanor. He was a gentle giant that will be missed so much. I pray for his family at this difficult time and my God help heal their sorrow. I will miss you sweetie Petey.. until we meet again!

“ There are few people in this world who leave a lasting impression in your life. Pete Courville has left a lasting impression in my life. He was a man of integrity and would give his shirt off his back if you were in need. He will be truly missed but not forgotten.
