“ Phyllis,
Randy and I often talked about " The Horse You Rode In On " it was a wonderful memory we shared. I am sure he is riding that horse and it is white with a golden saddle. His heart was bigger than life.

God Bless My Friend!!

“ Dear Phyllis and Kory,
I was so very sorry to hear about your terrible loss made even worse by you two not being able to be together during this difficult time.
Please know that I am praying for you on a regular basis - asking the Lord to give both of you and all those who loved Randy supernatural comfort, peace, and strength.
We do not personally know one another - I don't believe we have ever met at Ivy Creek, but I lost my first husband 15 years ago when my children were between the ages of 8 and 16, and it was very, very difficult. I understand this type of grief.
My God wrap his loving arms around you and hold you tight, as he did for me.
Love in Christ,
Susan Silvers
