“ I am truly sorry for your loss. I hope you are able to find comfort from God's word the Bible at Revelation 21:4. Here it reminds us that soon pain and death will be done away with. This has always brought me comfort and I hope it will do the same for you.

“ Russ and family,

Judy and i are saddened to here of the loss of your Dad. May your memories fuel the love in your heart for family and may this loss be a learning experience for us all... Lord, teach us to number our days, that we may gain a heart of wisdom. Understanding the brevity of life helps us to set the right priorities.

On behalf of our great company we are sorry for your loss. In prayer for the arms of Jesus to comfort your family.

In love, R & J

“ "And the last enemy, death, is to be brought to nothing." (1 Corinthians 15:26) God promises that he will soon wipe away and reverse the effects of this enemy that causes so much pain. Your precious one will be brought back to you and you will never have to experience the pain of losing him ever again. This is a promise from God! “ Our thoughts and prayers are with you during this difficult time. Hold tight to all your wonderful memories of Rusty. He was someone I always looked up to when we were kids. So many great memories from LHS and Pawleys Island. I know when we first heard of Rusty's passing our (my sisters and I) first thought was to call our mom and let her know. Unfortunately she passed a few years ago but she would've wanted to know and she would've called right away to offer her condolences. Pass our love on to the rest of the family and especially Betsy, she was like a second mom to us kids. Love always!

“ I know that there are no words I can say that will diminish the pain of this loss, but I'm grateful that there is mercy and comfort to be found in love and in time. Please know that my prayers and heart are with you, and that I will be in attendance on Sunday.

With sincere concern,
