“ though I don't have many memories with him from living up north but when my family would visit he always liked to joke around with my sister and I about our accents etc. I always liked how he had a great sense of humor he made the room light up and you could tell from the people that were in the room. he loved to make people laugh. he will truly be missed.my prayers and thoughts to his immediate family and others as well for I am a 2nd cousin to him or to his kids.never been good with the family connection just know that we are all connected.

“ I was working at Lawrenceville Auto Parts when Russell worked at Coka- Cola. I'd only see him either at Coka- Cola in the shop or pass him on the road & from time to time at LAP buying parts. But what stands out to me the most was his smile, it had a way of making my day ! And in turn I would smile at folks too. I only hope that maybe my smile brightened someone else's day as his did mine.

“ Russell and I have enjoyed some good times together growing up at mamaEveretts. He was always the life of the party as they say. He always had a smile on his face and I never new anyone who loved his wife and kids as much as Russell did. I pray for peace and comfort for Tina,Amy,and Amanda in the coming days and months.

“ Russell will be missed by family and friends but Heaven has gained a wonderful soul. I imagine he, along with Diane and Mike (my husband), are having a jolly good time. My parents started going to the Everett's in 1963, before the barn was built. I was 12 and Russell 9. My Dad played fiddle with Roger and Randall. I married into the Everett family in 1985. Mike passed away in 2015. Russell never failed to call me every few weeks to see how I was doing. He was so considerate and thoughtful. My heart goes out to Tina, Amy, and Amanda.

“ Tina, Amanda, and Amy, I am so sorry to hear about Russell. Tommy and I was just talking about him the day before he passed. I had read his brother Tommy's update and thought he's going to pull out of this. This was a shock. We have known Russell and his family for many many years. We had a lot of good memories at the Sugar Bowl In Sugar Hill. Derrick would race his cars and Russell would help Shelley in the store. He always had a big smile. Thoughts and prayers. “ Russell was always so much fun to be around. He lit up the room with his vibrant personality, kindness and sense of humor. He was a wonderful man who loved Tina from the day they first met and he was a very loving father to Amy and Amanda. Russell was extremely proud of both of his daughters. Everyone who knew Russell loved him. Although our family has lost another much loved one, I will forever treasure the memories that I had with Russell. He not only was my cousin, but he was one of the most kind, loving, compassionate and caring men that I knew. I was always proud that he was part of our wonderful family. I love you Russell, and I will miss you.

My heart and prayers go out to Tina, Amy, and Amanda. May your friends and family reach out to you and help you get through this difficult time.

Much love and and huge hugs,

“ Russel has been a family friend of mine since he was around 10 years old. I started going to the Everetts With my Mom & Dad (Roy & Ruth Westray) when they played music in the Everetts home. I don't ever recall Russell being anything but a kind loving soul to all he knew, he was supportive of all the bands, always lending a kind word of encouragement. I could go on & on; but bottom line is that he is happily and patiently sitting at the throne of our Lord with all his family and friends awaiting for our homecoming with that big smile. God Bless All The Everett Family, my extended Family
