“ Billy, my "Big Brother", my friend, my confidant and "Mentor of All Things Growing Up in K.P. We shared a close bond from an early age and you were always there watching out for me and Carol.:) William "The Protector", as your name means, surely was an appropriate fit.

I am so grateful we still, after all these years, remained closely connected and spoke nearly everyday. Our Love for each other could never be broken, and that is a blessing I will carry in my Heart until we meet again. Kenny and I both know these past 6-7 weeks were so difficult for you, as you struggled with your health challenges. You were so sick and suffering, but still managed to share a joke..Yes John,(my loving Little Bro) you are so right on about that! :)

You are now at peace Billy, without pain, and in God's Blessed Hands. No doubt we will see you again and when that time comes, we will, as Carol noted Tommy K. said, "Rock N Roll The Heavens".

With that, REST IN PEACE "MR DENIM" and here's an old favorite we played Sat.Nights, after SNL before going out, when you lived over on Pine Acre Dr. "The Gang" will remember this weekly ritual. So, one for the road from All Of Us who remember: The Outlaws~"Green Grass and High Tides" 4 Ever!!

Rock N Roll 4 Ever! We Love You and will Miss You 4 Ever., Love, Peace and Prayers To You Always "Mr Denim".

Your Lil Sis, Kath and Brother In Law, Kenny..xoxoxo

“ I am having a very hard time dealing with Bill's passing or expressing my grief without sobbing. I am devastated. He is part of almost every happy childhood memory that I have. And though we've each lived in different parts of the country for most of our adult lives it was always good to know that we were just a phone call away from each other...and we spoke often. I am so sorry that I could not be there to help comfort your family or to say good-bye. I love you and I will miss you.

“ My "Big Brother" by default..He was so patient with my BFF (his sister) & me as we tagged along his almost every move through the journey of "growing up". Teaching us to play baseball, love music, coaching us when we made mistakes...too many experiences to express here, but one consistency...always giving, never judging. I will forever be grateful for having Billy in my life. Yes, he left us early, but I believe he is now at the peace he so much deserves and like Tommy said, hanging with those gone before him in Rock & Roll Heaven with friends & family embracing him with open arms & a lot of laughs. Thank you my brother for all you put up with & taught me! I love you dearly. Say a big hello to Stubby & Kansas! I hold you forever in my heart.

“ So many memories of Billy. Five of us lived together up in N.Y. He was always ready with his quick wit.He stayed with us in Kings Park a few years back, it was so good to see him.RIP my friend.

“ Hey, did you ever here the one about the.....That was my brother. He was always trying to make you laugh. Billy was a kind and giving person with a great sense of humor and a contagious smile. I remember one summer night when we were young, Billy (The Drummer) along with his rock-band, played in our small backyard in Kings Park. Not many people were happy in our neighborhood with the rock & roll sound traveling about. Except for the young kids on the block who talked about it for days, and how cool it was. Memories like that and many others will never go away. Or the time when he used to come over our house in Orlando and take Stephanie and I to get ice cream at Friendly's. Billy would go out of his way to help you. He was a good man. He is probably telling jokes to Mom & Dad at this very moment. Our brother is in a better place now without judgment, without pain, and in Gods hands where he belongs. We will all see him again someday and be greeted with a smile. I love you and I will miss you. And I will never forget you. Peace Brother :)

“ Condolences to your family. May you receive comfort from the word of God during this time of loss. Acts 24:15 says there will be a resurrection of the righteous and unrighteous. Can you imagine the joy of Martha and Mary when Jesus raised Lazarus back to life?-Read John 11:21-24, 38-44. Revelation 21:3,4 promises that one day death, mourning, and outcry will be no more.
