“ Jeff and Lisa I am so sorry for your loss of a great man, he loved you two very much, I can remember you all living in our sub-division and you Chris and Evonne playing while going to school. I love your mom also, we go way back. The last time I saw your mom and dad was at Flanigan's a long time back paying respect, we talked about our kidneys and the damage the dye was doing to them. Jeff you were such a great son, all the pictures you shared at I Hop breakfast. May God be with you both during these days and take care of mom as she lost a part of her today.
