

Abbie Jean Kilpatrick

October 31, 2019

It is with many mixed emotions that the family of Abbie Jean Kilpatrick (of Buford, Georgia) announce her glad reunion day in heaven October 31, 2019, to once again be with her parents Jim and Inez Uber, brother Wally Uber, husband Harold Kilpatrick, son Paul Kilpatrick (wife is Sandy), grandson David Kilpatrick, and six great/great-great-grandchildren who she never got to hold until now! Her love of God and others will continue to be embedded into her other three children, Jeannie Barge LaBarbera (Carl), Sam Kilpatrick (Doug), and Jim Kilpatrick (Ann). She was also blessed and survived by 15 grandchildren, 35 great-grandchildren, and 13 great-great-grandchildren. Her life of 96 years (born January 19, 1923) was filled with loving service to others as a pastor's wife at Lyerly Baptist Church (GA), Shelbyville Mills Baptist Church (TN), Bellwood Baptist Church (Atlanta, GA), and Buford Highway Baptist Church (Doraville, GA). She was a great musician - skillfully playing the piano, organ, vibraphone, marimba, accordion, drums, and bells. A few years ago she sang the national anthem with the Buford First Baptist Silvertones at the Gwinnett Braves! She was a great educator - having been the director of the Buford Highway Baptist Church Kindergarten for several years. She was an enthusiastic mission supporter- alongside her husband and church, encouraging and supporting 75 missionaries around the globe for many years. She was a great encourager - bringing smiles as a clown to many patients as she visited room by room at Joan Glancy Hospital for ten years. She was a great artist -having her own ceramic shop for ten years, and

then later designing and making thousands of greeting cards over the past 26 years. The family will receive friends at Flanigan Funeral Home from 5-8 p.m. on Saturday, November 2. Her homegoing celebration will be Sunday, November 3 at 2:30 p.m. at the First Baptist Church of Buford, where she was a member. Rev. Dan Huff and Rev. Wayne Johnson will be leading the service. A graveside service will follow at Peachtree Memorial Park in Norcross, GA. In lieu of flowers, donations may be made to purchase Bibles for people around the globe through Baptist International Missions Inc (P.O. Box 9, Harrison TN 37341), which she and her husband supported for over 50 years.

“ *Prayers, thoughts and memories for such a sweet wonderful lady. I have the pleasure to say that it was under the preaching of her husband that I was saved. I never will forget them, the church, and that night.*

So sorry for everyone she left behind, but they know she is home. May peace, comfort and joy always fulfill them with her life here on Earth.

“ *We extend our sympathies to the family. But what a sweet reminder of a special lady and her family. So pleased you shared the information in Erie, PA. The UBER name was always well-recognized in Harbor Creek. What a legacy of Inez and Jim through their children and grandchildren. I spent many hours in the Inez Uber home, first my kindergarten class with Dick and Don, then my many days of piano lessons. But then ALWAYS a privilege to have Rev Harold Kilpatrick and Abbie Jean come during the summer with their family. The Wagner and Norder kids, as well as the Uber cousins, always looked forward to Jean, Sam, Jim, and Paul coming every summer. Good times at the Harbor Creek Bible Church.*

Condolences to the family on the loss of your mother.

“ Many memories come flooding back as we read Abbie Jean's obituary. My siblings and I spent many hours in her parents house in downtown Harbor Creek, PA while taking piano lessons. Her mom was our church pianist and our Bible club teacher We grew up with her brother Wally's family, and loved when Abbie Jean and Harold and their family came up north for vacations. She and her family had a great influence on our church and family. We know she is rejoicing in the Lord's presence and hearing His "well-done, My good and faithful servant." May the Lord pour out abundant grace and peace. Our sincere sympathies, Belva Meeker for the Wagner siblings.

“ I was on the SHEFFEY crew and met Mrs. Kilpatrick during the shooting of the film. I had the privilege of speaking with her by phone now and then over the subsequent years, and she was always so upbeat and cheerful, and she always remembered me. I know that you all are going to miss her very much. She was a wonderful and gracious lady.
