Thank you so much Lori. He and my mom both loved and treasured their neighbors at Duncans Lake. They had such wonderful memories and truly enjoyed their later years in retirement. We miss them terribly here on this earth but we take comfort that they have been once again reunited.

Thank you for your kind words about my dad. He was truly one of a kind. His years in Milledgeville and at CSH were among his most treasured memories. He often said that he had no regrets in life and that he had accomplished everything he had set out to achieve. What a blessing he was to us all!

“ *So sad to hear the news of our sweet neighbors passing. He & Ms. Lidia always stopped to speak in the years earlier when I working in my yard or if we passed each other on our daily walks on Duncan’s Lake Drive. Such a kind Christian couple. I know Ms. Lidia was waiting for him as he entered Heaven’s gates. Sympathy to all the Delgado family ❤️🙏🙏!*

“ *Dr. Delgado was Special to everyone that had the priviledge of knowing him. I had some unique connections that we shared. One of my college professor’s parents had served as missionaries to Cuba. He knew of them. My career had me interfacing with physicians so on occasion we would "shop" talk. Both of our life’s mates succumbed to Alshaimers & we shared numerous private / personnel phone calls. I was blessed to share his friendship & join the many who will miss him. Robert G. "Bob" Kopp*

Thank you for your kind words of love and support. My father's fondest memories were during those years where he worked at Chaplinwood and Green Acres. He genuinely loved his patients and all of the staff and took such great pride, not in himself, but in being able to bring comfort and healing to the elderly residents whom he had such compassion for. He was indeed an exceptional man who will be remembered for all eternity.
