“ I always think of Gails smile, & the way she loved her 2 boys. When they had games at the same time, Gail said she would sit on a hill, so she could watch both of their games at the same time. Rest well Gail. I worked with her in different departments at Western Elec. to Lucent.

“ *To Family of Gail Wigley,*

*Gail was a great friend. My memories remind me that Gail loved laughter. That didn't stop her from giving stern advise on occasion. It was a joy to know her. I know the many friends at Lucent/OFS, and her latest place of employment will miss her smile. She has gone home, but left wonderful memories for us all.*

“ Gail was a true friend and someone I loved dearly. I did not stay in contact like I should have and I will miss her smile and laughter. We only worked together for a few years, but I felt like I knew her forever. All our lives will be a lit less cheerful without her. Our prayers are with each of you and I know you will miss her. I plan on having a piece of red velvet cake as I know she and Mike Palmour are probably having a piece now as they talk about the good times. I will never forget her.
