“ Adam, we are so saddened by your passing and are remembering the times when you would visit our home with Dave Schindler and we would have so many laughs. I know it has been a long time since Clintondale and all your friends from the neighborhood and school but we never forgot you and what a very funny, bright and nice person you are. Larry would read your posts on FB about your boys and their baseball. We truly enjoyed them. We send our prayers to your wife and boys. Larry and Donna Ferrell

“ Sometimes things happen in life and I just dont understand why, only God does. I am deeply grieved by the loss of my Uncle Adam. He was an extremely bright, funny, hard-working man who did everything he could to help out others. I will cherish the great times we had together and he was an amazing man. He has taught me so many things and those pieces of him I will carry with me for the rest of my life. My heart and prayers goes out to my three amazing cousins who he has raised so well with my amazing aunt amy who always does her best. I love you guys and am here for you guys anytime and the rest of the family as well. Uncle Adam thank you for all the good times watching wipeout together, going on the boat, showing me your guitar, giving me hints how to get ahead in life, and just being there for me when I needed you. I know you are in a better place and looking down upon us now... I love you. Geza
