“ *We are so sorry to hear of Agnes passing. She was a special lady. Always smiling and and so kind. I've know her many years and she was always happy and smiling. She always made sure she spoke to Ronnie and I when we visited her church. I know it is so much relief knowing she is with her heavenly father. I know she will be missed so much. Prayers for all.*

“ God bless you all during this very hard time of grief. He knows your great loss, and He will be there for you, He will lift you up, in you knowing, that she is with Him. Someday, we will see her again in great joy. It is so hard to put in to words how amazing Agnes was to everyone who knew her. She was like a second mother to me in the early days of being a new mother of two, and later as a great example and friend. How I miss those days of sitting on her porch, talking and laughing, while she rocked my babies. She was so lovely, so kind, so good. She never turned anyone away, she welcomed you as part of her family. She has left such a remarkable legacy in you all. Our prayers and love are with you.

“ *“Agnes was a wonderful next door neighbor for many years on Stonecypher Road in Suwanee, and I was sad when she moved away. I watched her daughter Connie's girls across the street grow up, and they used to love to cross the road to see their loving grandmother. It was sad to learn of her passing, but my family all have the warm memory of her smile and friendliness.*

“ *My memories of your precious mother include Sundays, seeing her smile or cry as the choir sang during the worship services at Old Suwanee. As she left the sanctuary, she was always smiling and offering words of encouragement. As she became homebound, it was a highlight in December to go Christmas caroling to her home. She would laugh and cry and she loved to give and get hugs. I know that you are thankful for the many years God gave you a loving Christian mother. We are praying for you.*
