“ It has been a number of years since we last talked but you and your family have always been in my thoughts. I remember the days I spent on Bancroft Ave waiting for you and your sisters to come home from school. Thank you for being a great role model

“ Sorry that my uncle has passed. I am even more hurtful that his nieces (Michelle and Kim) are omitted from the Obituary. I guess we never existed in his eyes anymore since he moved on with his new family.

“ Sorry that my uncle has passed, but I am even more hurtful that me or my sister (his nieces) weren't even mentioned in the obituary. I guess we never existed in his life since he moved on with another family.
