“ *So sorry to hear of Alans passing. He was a good man, I know because I worked with him at Buckhead Tire in the early eighties. He was my mentor and taught me the basics in auto repair as I was starting my career, a career that has span 43 years and still going. He was a kind and gentle giant always there when needed. I remember working on Spot ( his old yellow ford) after work many a night, listening Waylon and Willie on the radio. I am sorry that I didnt keep in better touch with Alan over the years, he knew his cars. Rest in peace Brother. Billy Reynolds*
