

Aleksandra Fedorovna Volynchuk

March 1, 1940 - September 2, 2020

Aleksandra Fedorovna Volynchuk was born on March 1, 1940 to Anna and Fedor Tatarchuk in Zakrenichya Vinnitsa region of Ukraine. She was the second child in the family with two other siblings, Eve and Peter.

She graduated from a financial college in Odessa. Aleksandra lived in Vinnitsa and worked as an accountant/bookkeeper in Sanatorium "Radon". She had many friends.

Aleksandra has a daughter Irina, son-in-law Oleg, and three grandchildren- Marina, Igor, and Dennis. She also has eight great grandchildren Saphira, Sarah, Ruben, Grace, Anthony, Alina, Angelina, and Elajah.

In February 1995, Aleksandra moved to the USA with her husband Georgiy and the family of Irina and Oleg. They all lived together.

She was baptized on August 9, 1998 and attended "New Life Church" for her entire life in America. She loved people, loved God, and loved her church community.

She was such a strong and outgoing woman. After much studying and preparation, on July 2, 2013 Aleksandra became a US citizen. She also learned to drive a car and got her drivers licence in her 60's. With a free spirited joyful smile on her face she would remember how she drove for 17 years working as a housekeeper, running errands, visiting grandchildren. She was very nice and kind, always loving and trying to help her family. She enjoyed nature, gardening, and walking to the lake to fish with her husband. On February 14, 2018 her husband Georgiy went to heaven. She spoke about

him often, how much she missed him. Now they are both there ahead of us with our Lord Jesus Christ.

We love her and will miss her a lot.

"Blessed are the dead who die in the Lord... that they may rest from their labors, for their deeds follow them." Revelation 14:13
