“ *Pixie, Karyn and I literally just heard of Pat's passing...Please know you and all the family are in our thoughts. I have 1000's of memories going back to 1988. Pat was one of the first people I met at Bear Lakes and always remained a good friend. Our trips to Las Vegas and phone calls every day are just a couple of things I will always remember...as well as having to get 1/2 gallon of butter pecan Friendlys ice cream every time I saw some!*

*Seriously, I've lost one helluva pal...each football season will never be the same.*

*Peace*

“ *My dear family, my deepest condolences for our dear Uncle Pat. I have very fond memories of visiting in WV and watching satellite TV before any of my friends. I will cherish the laughs, fun and time together during the holidays. Family is here to stand side by side and today, we grieve together. Please know of my prayers for all of you and for Uncle Pat. May the God of love and mercy bring you peace.*
