“ My condolences to the family and all who loved Allen. It's so hard to lose someone we love, but the seeming finality of death is what makes it especially difficult. We can have confidence that God yearns to bring back to life the dead who are preserved in his memory. (Job 14:14,15) His Word, the Bible, gives us a wonderful hope of living in a paradise on earth and seeing the resurrection of our dead loved ones. (Luke 23:43; John 5:28,29) May this bring you some comfort during this very difficult time.

“ Teresa and Craig our hearts are breaking for you. Tommy and I still miss our precious son Austin that passed in 2015. He would have been 25 years old now. All we can do I guess, is to hold those memories and moments we will always treasure as close in our hearts and minds as we can. When going through it and even years later, it feels like you are one of the only ones it has happened to but just remember your not alone.
I know I can't take any of your pain away.....but we will find them one day soon.
