“ I will miss Sue greatly. She was like my second mother and my genealogy buddy. The photos and stories she shared with me I will never forget. We walked through cemeteries as she showed me where our ancestors are buried. She was so sweet and loving.

“ Sue has always been a special, kind lady to me. My favorite memory of her was no matter where we went ..family gatherings, funerals or just going to see her she would always stroke the back of my hair. I remember her in my teenage years going to Big star with her and Susie to buy groceries. I loved her very much and i will miss her. She is celebrating in heaven with all the loved ones we have lost. Merry Christmas in heaven sweet Sue.
