“ I am so sorry to hear of your loss. My deepest condolences go out to all the family and friends of this amazing and courageous little girl who had such a special place in each heart. I did not have the privilege of knowing Alyssa personally, I only came to know of her and her difficult journey through her grandmother, Ruth Oster. I pray that for every pang of pain felt, a sweet memory will take its place offering comfort and peace.

“ Ally lived a short, but important life. She touched so many of us and we will keep that experience with us always. I hope and pray the spirit of the Lord lifts your grief and that in your memories, you can find comfort & her passion to touch the lives of others and make a difference in the world as she did. Many prayers-The Highlanders
