“ *Oh Amanda, how I miss you. I loved you then and will always love you. You were like my daughter and still have the text where you called me mom. I will never forget you. After all we have the same birthday. My heart is broken and will never be the same. You will forever be in my heart and I miss you so.*

“ I’m terribly saddened to hear the news, that Amanda is no longer with us. Amanda was full of life, energy, fun, love, and some attitude mixed in. She was an incredible person to the core, who was taken way too soon from us all. You are gone but will never be forgotten. Until we meet again... RIP my friend.
