“ *We all miss you very much Amy. Amy was a fighter and a very strong fighter at that. She fought years on end after being told she didn't have long left with all the medical issues she were diagnosed with but she proved them doctors wrong time and time again. It's time for her to go home and rest and be pain free. So no longer has to be in pain. She no longer has to suffer. Her passing really really hurts us all really bad and will for a while but everyone always remember she's not in pain she's not suffering no more and always know she will be up in heaven watching down on us all every second of the day. To all my family I love you all.*
